Model Partnership Kits

Model Partnerships Kits are still available from Partners In Education.

The five kits are:

Starting or Expanding Your In-School Tutoring Program giving school personnel, volunteer coordinators and partnership liaisons all of the information needed to run an effective tutoring program.

to encourage their personal growth and development.

Math Facts Marathon partnership kit provides the blueprint for developing and implementing this activity to help students prepare for achievement testing time.

Starting or Expanding Your In-School Academic Mentoring Program provides step-by-step instruction on starting a program to give additional support to students who can benefit from an adult mentor to help set goals, review academic activities, and keep a student on track.

Student Attendance Incentive Programs partnership kit gives model program examples and case studies of student incentive activities around the country.

The kits are free to area schools.

E-Mentoring Program partnership kit will assist in creating electronic mentoring programs that target student writing skills while giving students mentors

**Want a partner?
Update the New Partnership
Assessment Form**

In order to make the right contacts, seek the most appropriate partners and create the best matches, Partners in Education is asking schools seeking partners to submit an updated New Partnership Assessment Form for 2007-08. This form is available in the 2007-08 School-Community Partnership Guide. For more information or if you would like a form emailed or faxed to you, please contact the Partners In Education office at 419.242.2122 or info@partnerstoledo.org.

REMEMBER —

It's not too early to register for the Partners In Education Great Maumee River Dragon Boat Festival

Saturday, July 26, 2008
