2019 Parent Engagement Workshop Series

for nonprofits, schools, and college students

Would you like to increase your success with parent engagement at your organization or school?

This workshop series offers practical tools to help you improve your results through help with marketing and communications, evaluation and continuous improvement, and it's fun and hands on. Participants attending all sessions earn a certificate of completion from Partners in Education.

DETAILS

The series offers 2.5 Continuing Education Units at each session through the Lourdes University in counseling and social work.

We'll take you through the best practices outlined by Aspire Toledo and make your organization, school program or parent-teacher organization more attractive to grantmakers and donors with parent resources you'll create at the sessions.

Please see back of flyer for more workshops and registration details.
