Financial Literacy Online Lesson

Please join us for an entertaining and educational video lesson by Mr. Reed Steele on creating a budget!

Using a computer, a tablet or a phone, go to our special online lesson webpage at: <https://partnerstoledo.org/ccrsg-online/> and click on the video.

The video will ask for your name and email. If you don't have one, ask a parent if you can use theirs. We are collecting your names and quiz scores, so we can see how well we taught the lesson.

1. You will need a pencil or pen and some scratch paper. If you can print this flyer, turn it over and use the back.
2. Click on the 20 minute video and follow along! You will be asked to do some math calculations that will help you learn to budget.
3. When the video is over, you will be asked a few questions. Make sure to answer these questions. This is the best way for us to see what you have learned.
4. Thank you for watching. We will have more lessons online soon.

We miss seeing you! Stay safe!
